WHEREAS, said assignor has invented certain new and useful improvements in REPAIRABLE IO IN AN

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the
receipt of which is hereby acknowledged, said assignor has sold, assigned, transferred and set over, and by these presents
does sell, assign, transfer and set over, unto said assignee, its successors, legal representatives and assigns, the entire
right, title and interest in and to the above-mentioned inventions, application for Letters Patent, and any and all Letters

Property, the same to be held and enjoyed by said assignee, for its own use and the use of its successors, legal
representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as
fully and entirely as the same would have been held and enjoyed by the assignor, had this sale and assignment not been

AND for the same consideration, said assignor hereby covenants and agrees to and with said assignee its
successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said assignor is
the sole and lawful owner of the entire right, title and interest in and to said inventions and the application for Letters
