PATENT ASSIGNMENT

This patent assignment has the effective date of August 01, 2008.

Parties

- (1) Aleris Aluminum Canada LP (formerly Corus LP), of 290 rue St-Laurent, Cap-de-la-Madeleine, Quebec, Canada G8T 7W9, (hereinafter the "Assignor").
- (2) Aleris Aluminum Koblenz GmbH (formerly Corus Aluminium Walzprodukte GmbH), of Carl-Spaeter-Strasse 10, 56070 Koblenz, Germany, (hereinafter the "Assignee").

WHEREBY

- a. In consideration of the sum of \$10, and other goods and valuable consideration in hand, receipt of which the Assignor expressly acknowledges, the Assignor hereby sells, assigns, transfers and set over unto the Assignee, and the Assignor hereby accepts, the entire rights, title and interest in and to said inventions entitled "Improved Electrical Conductivity and High Strength Aluminum Alloy Composite Material and Methods of Manufacturing and Use" and subject of the following corresponding patents and patent applications:

European patent application no. 01906053.2 (EP-1268190);

Japanese patent application no. 556656/01 ;

Korean patent number 737020 (application number 7009649/2002);

US Patent No. 6,329,075 issued on December 11, 2001;

Canadian Patent No. 2,399,228 issued December 18, 2007,

and collectively referred to as the "Patents", and in and to any and all patents in any country which may be issued for said inventions, for the full term of such patents.

- b. The Assignor hereby covenants with the Assignee that the Assignor shall, at the expense and upon request of the Assignee, execute, sign and do all such instruments, applications, documents and acts as may reasonably be required by the Assignee to enable the Assignee or its nominee to enjoy the full benefit of the rights hereby assigned.

- c. I hereby covenant that I have full rights to convey the entire interest herein assigned and have not executed, and will not execute, any agreement in conflict herewith, and I also agree to execute all papers in connection with the Patents and any continuing, divisional, continuation-in-part, reissue or re-examination applications thereof and in connection with any interference which may be declared involving these Patents or any continuing or divisional applications thereof.
- d. The parties declare that they have specifically requested that this patent assignment be drafted in the English language. Les parties déclarent qu'elles ont expressément requis que le document présente soient rédigés en anglais.
- e. The assignment shall be governed by and interpreted in accordance with the laws of Germany and the parties hereby submit that all disputes arising in connection with the patent assignment and which cannot be amicably settled, shall be brought before the competent Courts of Koblenz, Germany.

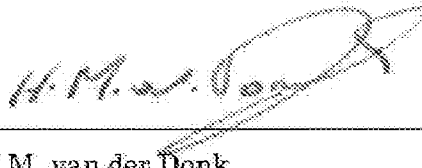

IN WITNESS OF WHICH this Assignment has been executed by or on behalf of the parties with an effective date first written above.
