ASSIGNMENT

WHEREAS, Carmen D. Burns, an individual, residing at 10210 Holme-Lacey Lane, Austin, Texas 78750 (herein called "Assignor"), is the owner of a certain new and useful invention entitled "Hermetically Sealed Ceramic Integrated Circuit Heat Dissipating Package Fabrication Method and Apparatus" (herein called "Invention"); and

WHEREAS, Staktek Corporation, a Texas corporation, having its principal place of business at Suite 116B, 8900 Shoal Creek Blvd., Austin, Texas 78758 (herein called "Assignee"), is desirous of acquiring and Assignor is desirous of assigning to Staktek, Inc. all right, title and interest in and to said Invention, patents and patent applications on said Invention;

NOW, THEREFORE, Assignor, for and in consideration of Ten Dollars and no/100 (\$10.00), to me in hand paid, the receipt and sufficiency of which is hereby acknowledged, do hereby SELL, ASSIGN and CONVEY unto Staktek, Inc. all right, title, and interest throughout the world in and to:

1. Said Invention;
2. All applications for patent or like protection on said Invention made by Assignor or his legal representatives, whether in the United States of America or any other country or place anywhere in the world;
3. Assignor covenants that Assignor, his heirs, legal representatives, assigns, administrators, and executors will execute all papers and perform such other acts as may be reasonably necessary to give Assignee, its successors and assigns, the full benefit of this Assignment.

4. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extension, and the like of said applications and patents and like grants, including without limitation, those obtained or permissible under past, present and future law or statutes;

5. All rights of action on account of past, present and future unauthorized use of said Invention and for infringement of said patents and like protection;

6. The right to Assignee to file in its name applications for patents and like protection for said Invention in any country or countries foreign to the United States; and

7. All international rights or priority associated with said Invention, applications for patents, patents and like protection.

Assignor, his heirs, legal representatives, assigns, administrators, and executors will receive a reasonable fee together with all expenses to be paid by Assignee, its successors and assigns, for execution of all papers and to perform such other acts as may be reasonably necessary to give Assignee, its successors and assigns, the full benefit of this Assignment.

This Assignment shall be binding upon and shall inure to the benefit of the successors, assigns and legal representatives of the parties hereto.
