ASSIGNMENT

For good and valuable consideration, I, Anthony D. Witka, a citizen of the United States of America residing at McKinney, Texas, hereinafter referred to as Assignor, hereby sell, assign and transfer to Cambridge Silicon Radio Limited, a Corporation organized and existing under the laws of the United Kingdom, having its principal place of business at Churchill House, Cambridge Business Park, Cowley Road, Cambridge, England CB4 0WZ, hereinafter referred to as Assignee, its successors, assigns and legal representatives, the entire right, title and interest, in and for the United States of America, in and to any and all inventions which are disclosed in the application for United States Letters Patent, which has been executed by the undersigned and filed in the United States on June 17, 2006 as Serial No. 11/424,866, and is entitled:

METHOD AND SYSTEM FOR CONNECTING REMOTE DEVICE FOR COMMUNICATION WITH EACH OTHER

in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions; and in and to all original and reissued patents which have been or shall be filed in the United States on said inventions;

Assignor agrees that Assignee may apply for and receive Letters Patent for said inventions in its own name;

Assignor agrees that, at the request of the Assignee and, without charge to but at the expense of said Assignee, Assignor will carry out in good faith the intent and purpose of this Assignment; execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to Assignee, all facts known to the undersigned relating to said inventions and the history thereof; and generally do everything possible which Assignee shall consider desirable for aiding in securing and mainlining proper patent protection for said inventions and for vesting title to said inventions, and all applications for

patents and all patents on inventions in said Assignee;

Covenant with Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
