ASSIGNMENT

WHEREAS, WE, Nikolai Naryshkin, Sergey V. Paushkin, Charles Romfo, and Ellen Welch, ASSIGNORS, citizens of the United States, residing at 137 Windsong Circle, East Brunswick, N.J. 08816; 51 Scenic Hills Court, Belle Mead, N.J. 08502; 87 Jonathan Drive, Easton, PA. 18045; and 33 Hollow Brook Road, Califon, N.J. 07830, respectively, are the inventors of the invention in METHODS FOR TREATING SPINAL MUSCULAR ATROPHY for which an international application for patent has been filed under the Patent Cooperation Treaty.

- which is identified by Jones Day docket no. 10589-080-228
which was filed on May 27, 2009, International Application No. PCT/US2009/003238

and WHEREAS, PTC Therapeutics Inc., ASSIGNEE, having a place of business at Middlesex Business Center, 100 Corporate Court, South Plainfield, New Jersey 07080, is desirous of obtaining our entire right, title and interest in, to and under the said invention and the said international application:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to us in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, we, the said ASSIGNORS, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, our entire right, title and interest in, to and under the said invention, and the said international application and all national stage applications in the United States and in countries foreign to the United States, and all divisions, renewals and continuations thereof, and all patents which may be granted thereon in the United States and any country or countries foreign to the United States, and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said international and national stage applications under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND WE HEREBY authorize and request the Commissioner for Patents and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant and agree that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that we will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.

IN TESTIMONY WHEREOF, We hereunto set our hands and seals the day and year set opposite our respective signatures.
