ASSIGNMENT

WHEREAS, I, David S. Densmore, whose residence address is 4591 South Huron Street, Englewood, Colorado, 80110 (the "Assignor") having invented a certain new and useful invention for a "MESH SPACER FOR REINFORCED CONCRETE" for which I am about to make application for Letters Patent of the United States, said application being identified as Docket No. 5710/8 in the law offices of Dorr, Carson & Birney, P.C., 501 South Cherry Street, Suite 800, Denver, Colorado 80246, and herewith executed concurrently on the respective dates listed herein below;

WHEREAS, Rocky Mountain Prestress, LLC, a limited liability company, whose post office address is 5801 Pecos Street, Denver, Colorado 80221 (the "Assignee"), is desirous of acquiring the entire right, title and interest in and to the aforesaid invention and application for Letters Patent in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) to me in hand paid by the said Assignee, and other good and valuable consideration, the receipt and adequacy whereof are hereby expressly acknowledged, I the aforesaid, David S. Densmore, hereby sell, transfer and set over to the said Assignee, successors, legal representatives and assigns, the entire right, title and interest in and to the aforesaid invention and the aforesaid application, for the territory of the United States of America and for all foreign countries, and to all Letters Patents, divisions, continuations, continuations-in-part, substitutions, reissues, re-examinations and extensions to be obtained therefor; and I further agree to cooperate with the said Assignee hereunder in the obtaining and the sustaining of any or all such Letters Patent but at the expense of the said Assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with this Assignment, to the said Assignee, its successors, legal representatives and assigns, as the Assignee of the entire right, title and interest therein.

Further, I agree that I will communicate to said Assignee, or its representatives any facts known to me respecting said invention, and testify in any legal proceedings, sign all lawful papers, execute all division, continuation, continuation-in-part, substitution, reissue, re-examinations and extension applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths and generally do everything necessary or desirable to aid said Assignee, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

This Assignment is executed by David S. Densmore as of the respective date set forth below to be effective as of the respective date set forth below.
