EXHIBIT B

PATENT ASSIGNMENT

ASSIGNMENT

WHEREAS, David Drummond, (hereinafter referred to as the "Assignor"), whose full address is 115 South Cove Road, Brookfield, Nova Scotia B0N 1C0, Canada, is the owner of the entire right, title and interest in and to the inventions described in the Patents set out in Schedule "A" (hereinafter referred to as the "Patents") and to the Patents;

AND WHEREAS, Hercules SLR Inc., whose full post office address is 520 Windmill Road, Dartmouth, Nova Scotia, B3B 1B3, Canada (hereinafter referred to as the "Assignee"), is desirous of acquiring the entire right, title, and interest in and to said inventions and discoveries, and in and to the Patents inclusive of any and all priority rights derived therefrom for any and all countries in the world, and in and to any and all Letters Patent issuing in any and all countries in the world, to be granted for said inventions and discoveries based on said Patents or on patent applications filed in any country claiming priority of a Patent;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor, does hereby sell, assign, transfer, and set over unto the Assignee, its successors and assigns, its entire right, title, and interest in and to the inventions and discoveries disclosed in the Patents, and in and to the Patents and any continuations or divisions thereof and all priority rights derived therefrom, and in and to any and all patent applications and any continuations or divisions thereof filed in any country claiming priority of a Patent, and in and to all Letters Patent which may be granted upon patent applications filed in any and all countries in the world including the United States of America, claiming priority of a Patent, and in and to any and all reissues, substitutions, or prolongations thereof; the same to be held and enjoyed by the Assignee for its own use, and for the use of its successors and assigns, to the full end of the term or terms for which said Letters Patent, or reissues, substitutions, or prolongations thereof may be granted, as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made;

AND the Assignor hereby authorizes and requests any official whose duty it is to issue patents to issue each and every Letters Patent to be granted upon the aforesaid applications in any and all countries, and each and every reissue of said Letters Patent, to the Assignee, its successors and assigns, as the assignee of his entire right, title and interest therein, in accordance with this assignment.
