ASSIGNMENT

WHEREAS, **Kerry McKinley**, residing and having a post office address at 34 Taunton Ridge Road, Newton, Connecticut 06470 and **Thomas V. Trauscht**, residing and having a post office address at 618 W. Burning Tree Lane, Arlington Heights, Illinois 60004, (hereinafter sometimes called the "Assignors"), are the owner of the certain right, title, and interest in and to inventions or improvements in:

**PACKAGING SYSTEM FOR PRODUCING A FOAM-IN BAG
AND METHOD OF MIXING FOAM**

Application No: 11/859,299 Filing Date: September 21, 2007

WHEREAS, Ivex Protective Packaging, Inc., a Delaware corporation, having a place of business at 8100 South 77th Avenue, Bridgeview, Illinois 60455, (hereinafter sometimes called the "Assignee"), is desirous of acquiring Assignors right, title, and interest in and to said invention, to the application above identified, and in, to, and under Letters Patent that may be obtained for said invention, and to other applications or patents covering said invention, as hereinafter more fully set forth;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged by Assignors, Assignors have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto Assignee the entire right, title, and interest for the United States in and to the invention and application hereinabove identified, and in and to any and all nonprovisional, divisional, continuation, continuation-in-part, reissue, or reexamination applications, and in and to any Letters Patent of the United States that may issue (or reissue) for said invention on any one or more of said applications, together with the entire right, title, and interest in and to said invention and related or counterpart applications for Letters Patent and Letters Patent therefor in all countries foreign to the United States, including the right to claim priority under the International Convention for the Protection of

Industrial Property and other agreements and treaties of like purpose; to have and to hold for the sole and exclusive use and benefit of Assignee, its successors and assigns, to the full end of the term or terms for which any and all of said Letters Patent for said invention may issue.

And Assignors do hereby covenant and agree, for them and their legal representatives, that they will assist Assignee in the prosecution of any of the applications herein referred to; in the making and prosecution of any other applications for Letters Patent that Assignee may elect to make covering the invention herein referred to, including any nonprovisional, divisional, continuation, or continuation-in-part application; or any application to reexamine or reissue any patent referred to herein; in vesting in Assignee exclusive title in and to all applications and Letters Patent referred to herein; and in the prosecution of any interference, infringement or other action which may arise involving said invention or any claim thereto or thereunder, or any application or Letters Patent herein referred to; and he will execute and deliver to Assignee any and all additional papers which may be requested by Assignee to vest title in Assignee in the United States and in countries foreign thereto, and will otherwise fully carry out the terms of this agreement.

And the Commissioner of Patents and Trademarks is hereby authorized and requested to issue Letters Patent to Assignee in accordance with the terms of this Assignment.

Assignors hereby authorize and request the attorneys of record in the application bearing the abovementioned docket number to insert in this assignment the U.S. application number of said application when officially known, if applicable.
