PATENT APPLICATION ASSIGNMENT

WHEREAS, Schwintek, Inc., a company organized and existing under the laws of Indiana and authorized to do business in Michigan, having its registered office at 301 Ranger Drive, Cassopolis, Michigan 49031 (hereinafter referred to as Assignor) is the owner of record of U.S. Patent Application No. 12/683,335, filed January 6, 2010, including United States Provisional application for patent Serial No. 61/205,668, filed January 22, 2009, of which the subject application claims priority, and the invention thereof;

WHEREAS, Lippert Components Manufacturing, Inc., a company organized and existing under the laws of Delaware, having its registered office at 2703 College Avenue, Goshen Indiana 46528 (hereinafter referred to as Assignee), is desirous of acquiring all of Assignor's rights in and to said invention, said application and any patent issuing therefrom;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby transfers and assigns to Assignee, its successors and assigns, Assignor's entire right, title and interest in and to the invention and application hereinabove identified, and any Letters Patent that may issue for said invention as well as all continuations, continuations-in-part, divisions and reissues thereof, including the right to pursue and recover damages for past infringement, to have and to hold for the sole and exclusive use and benefit of the said Assignee, its successors and assigns to the full end of the term for which any and all of said Letters Patent for said invention may issue.

And the said Assignor does hereby covenant and agree, for itself and its legal representatives, that Assignor will assist said Assignee in the prosecution of the application herein identified; in the making and prosecution of any other applications for Letters Patent that the Assignee may elect to make covering the invention herein identified, as hereinbefore set forth, including any application for reissue, application for reexamination, or any proceeding in the United States Patent and Trademark Office, or any foreign patent office, affecting said invention; investing in the said Assignee like exclusive title in and to all such other applications and Letters Patent; and in the prosecution of any interference or reexamination which may arise involving said invention, or any application or Letters Patent herein contemplated; and that Assignor will execute and deliver to the said Assignee any and all additional papers which may be requested by the said Assignee to fully carry out the terms of said assignment.

And the Director of Patents and Trademarks of the United States, and counterparts outside the United States, are hereby authorized and requested to issue Letters Patent to the said Assignee in accordance with the terms of this assignment.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be signed and by its duly authorized representative, on the 15th day of March, 2010.
