ASSIGNMENT

FOR valuable and legally sufficient considerations, receipt of which is hereby acknowledged, we, **Keith Edgett**, a citizen of the United States, and a resident of 415 Laura Lane, Middletown, Delaware 19709 and **Robert Jorgensen**, a citizen of the United States, and a resident of 106 Willow Grove Mill Road, Middletown, Delaware 19709 have co-invented certain new and useful improvements in

Tampon Applicator with Finger Grip

hereby assign to **Playtex Products, Inc.**, a Delaware corporation having its principal office at 300 Nyala Farms Road, Westport, Connecticut 06880 (hereinafter referred to as "Assignee"), the entire right, title and interest in and to such invention, together with the patent rights and rights of protection to the same throughout the world, including any patent rights which may result from the application for United States Letters Patent which was filed in the United States Patent and Trademark Office on June 23, 2006 and assigned application no. 29/261,993, and any continuation, divisions, continuation-in-part applications, inventor's certificates and extensions thereof, preparatory to obtaining Letters Patent of the United States therefor; said invention, application and Letters Patent to be held and enjoyed by said Assignee for its own use and behoof and for the use and behoof of its successors and assigns, to the full end of the term for which said Letters Patent or other rights of protection may be granted as entirely as the same would have been held and enjoyed by us had the assignment not been made.

AND WE COVENANT and AGREE and WARRANT that we have full and unencumbered title to the invention hereby assigned, and we further covenant and agree that we have the right to grant such rights to said invention and application and Letters Patent and that we will, at any time upon request without cost to us or further compensation, execute and deliver any and all papers or instruments that, in the
