ASSIGNMENT

WHEREAS, I, Randy Patterson, hereinafter referred to as the assignor, residing at 10300 W. Charleston Boulevard, 13-359, Las Vegas, Nevada 89135 am a joint inventor with Brent Patterson of certain inventions or improvements for which we have made application for Letters Patent to the United States Patent Office, entitled "Mixing Cap And Method For Use Thereof," Application Ser. No. 11/115,466 filed April 27, 2005, which has now issued as U.S. Letters Patent No. 7,055,685, and

WHEREAS, Abrigo, Ltd., hereinafter referred to as the assignee, of 10300 W. Charleston Boulevard, 13-359, Las Vegas, Nevada 89135, a Limited Liability Company chartered under the laws of the State of Nevada, is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements, and in and to the said application, and in, to and under any and all Letters Patent which have been or may be granted on or as a result thereof in any and all countries:

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, I, the said assignor, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, to said assignee, the entire right, title and interest in and to said inventions or improvements and said application and any and all continuations, divisions and renewals of and substitutes for said application, and in, to and under U.S. Letters Patent No. 7,055,685 and in, to and under any and all additional Letters Patent, and counterparts thereto, which may be granted on or as a result thereof in the United States and any and all other countries, and any reissue or reissues or extension or extensions of all said Letters Patent, including the full right to sue for and collect damages for past, present, or future infringement of the same and for violations of provisional rights arising or having arisen from any published application for any of the aforesaid Letters Patent. I further assign to and authorize said assignee to file in my name applications for Letters Patent in all countries, the same to be held and enjoyed by said assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me had this assignment, sale and transfer not been made;

AND I hereby covenant that I have full right to convey the entire interest herein assigned, and that I have not executed and will not execute any agreement in conflict herewith, and I further covenant and agree that I will each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said application and said Letters Patent to said assignee, its successors, assigns, nominees, or legal representatives, and I agree to communicate to said assignee or to its nominee all known facts respecting said inventions or improvements, said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything possible to aid
