ASSIGNMENT

WHEREAS, Health Resources, USA, L.L.C., a Missouri limited liability company having an address at 1505 E. Trafficway, Springfield, MO 65802 (hereinafter "Assignor"), is the current sole owner of pending U.S. patent application serial number 09/710,227, filed November 10, 2000, entitled *Method and Apparatus for Processing Pharmaceutical Orders to Determine Whether a Buyer of Pharmaceuticals Qualifies for an "Own Use" Discount*, and all inventions disclosed and claimed therein (hereinafter the "Patent Application and Inventions"); and

WHEREAS, Ewing B. Gourley of 1505 E. Trafficway, Springfield, MO 65802 (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to said Patent Application and Inventions, including any and all Letters Patent to be obtained thereon.

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) in hand paid, and other good and valuable consideration, the receipt and adequacy of all of which are hereby acknowledged, Assignor has sold, assigned and transferred and does hereby sell, assign and transfer unto said Assignee, his successors or assigns, the entire right, title and interest in and to said Patent Applications and Inventions and in and to any and all Letters Patent and applications filed therefor, including provisionals, non-provisionals, divisionals, continuations, reissues, reexaminations and extensions to be obtained therefor in the United States and all foreign countries; and we further agree to cooperate with the Assignee hereunder in the obtaining and sustaining of any and all such Letters Patent as the Assignee may desire to apply for, but at the expense of said Assignee.

The Commissioner of Patents or other proper official is hereby authorized and requested to issue said Letters Patent to said Assignee in accordance with this Assignment.

For said considerations, the undersigned Assignor hereby agrees, upon the request and at the expense of said Assignee, to execute any provisional, non-provisional, divisional, continuation, continuation-in-part or substitute application for said invention or improvements, and any oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application(s), and, in the event of any application or Letters Patent assigned herein becoming involved in an interference, to cooperate to the best of the ability of the undersigned in the

matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. The undersigned agrees to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States and vest in said Assignee all rights therein, whereby said Letters Patent will be held and enjoyed by said Assignee, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

And for said consideration, the undersigned Assignor hereby assigns to said Assignee the entire right, title and interest in said invention or improvements for all foreign countries, including all priority rights, and agrees to execute, at the request of said Assignee, all documents in connection with any application for foreign Letters Patent therefor.

IN WITNESS WHEREOF, I have hereunto set my hand the 6th day of
May, 2009.
