ASSIGNMENT

WHEREAS, we

David J. Bradley
215 Patti Drive
Westerville, OH 43081
USA

Robert J. Myers
7435 Inverness Commons
Fort Wayne, Indiana 46804
USA

have invented certain improvements in:

**COBALT-NICKEL-CHROMIUM-MOLYBDENUM ALLOYS WITH
REDUCED LEVEL OF TITANIUM NITRIDE INCLUSIONS**

described and claimed in an application for Letters Patent of the United States of America thereon, said application having filed on September 5, 2003, and assigned serial number 10/656,918; and

WHEREAS, Fort Wayne Metals Research Products Corporation, a corporation organized and existing under the laws of the State of Indiana, having its principal place of business at 9609 Ardmore Avenue, Fort Wayne, IN 46809, is to acquire the right, title and interest in and to said invention and said application for Letters Patent;

NOW, THEREFORE, in consideration of the sum of ONE DOLLAR (\$1.00) to us in hand paid, and for other good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, we do hereby assign, sell, transfer and set over unto said Fort Wayne Metals Research Products Corporation, its successors and assigns, the full, entire and exclusive right, title and interest, for the territory of the United States of America and for all foreign countries, in and to said invention, as described in the application identified above, and in and to said application and any divisions or continuations or continuations-in-part thereof or substitutes therefore which may be filed, and in and to any patents or reissues, renewals or extensions thereof which may be granted on said application or for said invention, and in and to any patent application which may be filed on said invention in

countries foreign to the United States of America and any patents granted thereon; said invention, applications, and patents to be held and enjoyed by said Fort Wayne Metals Research Products Corporation, and its successors or assigns, to the full end of the term or terms for which said patents may be granted, as fully and entirely as the same would have been held by us had this assignment not been made.

We hereby authorize and request the Patent and Trademark Office officials in the United States of America and the Patent Office officials of any and all foreign countries to issue any and all of said patents, when granted to said Fort Wayne Metals Research Products Corporation, as the assignee of my entire right, title and interest in and to the same, for the sole use and enjoyment of said Fort Wayne Metals Research Products Corporation, its successors and assigns.

Further, we agree to execute all papers and to give such lawful testimony and to perform such other lawful acts as said Fort Wayne Metals Research Products Corporation, its successors and assigns may require to enable it to procure a Letters Patent on said invention or reissues or extensions thereof in the United States of America and/or in any foreign country, and/or to hold, enforce or convey said Letters Patent, reissues or extensions.
