WHEREAS, the Assignors previously executed an assignment to the Assignee (such assignment being recorded on July 25, 2003 at Reel 014318, Frame 0504) that inadvertently included an incorrect name of Assignee; and

WHEREAS, Assignor and Assignee wish to acknowledge and correct the error in the previous assignment document, confirm that title is with Assignee, and note that Assignee's correct corporate name is "GeoDigm Corporation" (not "GeoDigm, Inc." as set forth in the previously recorded assignment document);

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application, and in and to the application, all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the
