And  
Whereas, EADS Deutschland GmbH  
a corporation of \_\_\_\_\_ herein referred to as "assignee" whose mailing address is  
Willy-Messerschmitt-Strasse, 85521 Ottobrunn, Germany  
is desirous of acquiring the entire right, title and interest in the same;

NOW, THEREFORE, in consideration of the sum of one dollars (\$ 1.00 ), the receipt whereof  
is acknowledged, and other good and valuable consideration, I as assignor hereby sell, assign and set over to said  
assignee my entire right, title and interest for the United States of America and all other countries in and to said  
invention and the aforesaid utility patent application and all original, divisional, continuation, substitute or reissue  
applications and patents applied for or granted therefor in the United States of America and all other countries, for  
said invention, including without limitation all applications and patents for said invention claiming priority or benefit of  
the aforesaid utility application pursuant to any law or treaty, and including all claims for damages by reason of past  
infringement with the right to sue for and collect the same for its own use and the use of its successors, assigns and  
legal representatives, and including the right to claim such priority or benefit and the Commissioner of Patents and  
Trademarks is hereby authorized and requested to issue all patents on said improvements or resulting therefrom to  
said assignee herein, as assignee of the entire interest therein; and the undersigned for me and my legal  
representatives, heirs and assigns do hereby agree and covenant without further remuneration, to execute and deliver  
all original, divisional, continuation, reissue and other applications for Letters Patent on said improvements and all  
assignments thereof to said assignee or its assigns, to communicate to said assignee or its representatives all facts  
known to the undersigned respecting said improvements, whenever requested, to testify in any interferences or other  
legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make  
all rightful oaths, and to do generally everything necessary to aid assignee, its successors, assigns and nominees to  
obtain patent protection for said improvements in all countries, the expenses incident to said applications to be borne  
and paid by said assignee.

And I do hereby authorize my attorneys to insert on this deed the filing date and application number of said application  
when known.
