**ASSIGNMENT OF PATENT**

WHEREAS, I, DON WAYNE BERRY, a citizen of the United States of America, residing at 624 Rio Grande Loop, Georgetown, TX 78633, have invented one or more inventions (hereinafter referred to as "said inventions") disclosed in an application for Letters Patent of the United States titled "Compositions and Methods for Treatment of Mammalian Skin", said Applications having been executed on March 17, 2010 and filed on or about March 19, 2010, together with a provisional application for Letters Patent of the United States titled "Skin Treatment Ointment" referring to related inventions, said provisional application having been filed on or dated October 14, 2009 and assigned application Serial No. 61/272641 (hereinafter collectively referred to as "said Applications").

WHEREAS, BERRY PHARMACEUTICALS , L.L.C. (hereinafter together with its successors and assigns referred to as "the Assignee"), a Texas limited liability company, having a place of business at 624 Rio Grande Loop, Georgetown, TX 78633 is desirous of obtaining all right, title and interest in, to and under said inventions and said Applications; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I have sold, assigned, transferred and set over, and by these presents hereby sell, assign, transfer and set over to the Assignee all right, title and interest in, to and under said inventions and said Applications, including the right to apply for any Letters Patent of the United States of America and in any and all foreign countries on said inventions, and any and all other applications for Letters Patent on said inventions, in whatsoever countries, including all divisional, renewal, substitute, continuation, continuation-in-part and convention applications based in whole or in part upon said inventions or upon said Applications, and any and all Letters Patent which may issue thereon in the United States and foreign countries, and any and all reissues, extensions, renewals, divisions, continuations or continuations-in-part of Letters Patent granted for said inventions or upon said Applications, to the full term or terms for which said Letters Patent may be issued, and every priority right that is or may be predicated upon or arise from said inventions, said Applications and said Letters Patent, the same to be held and enjoyed by the Assignee for its own use and benefit fully and entirely as if the same would have been held and enjoyed by me had this Assignment not been made. I hereby authorize the Assignee to file patent applications in any and all countries on any or all of said inventions in my name, or in its name, or otherwise as the Assignee may deem advisable, under the International Convention or otherwise.

I hereby authorize the Commissioner of Patents and Trademarks of the United States, and any official of any other country empowered to issue patents, to record this Assignment, and to issue or transfer all said Letters Patent on said inventions to the Assignee as owner of all right, title and interest therein, or otherwise as the Assignee may direct, in accordance with the terms of this Assignment.

I hereby represent and warrant that I have the full right to convey the entire right and interest herein assigned, that there are no rights or interests outstanding inconsistent with the rights and interests granted herein, and that I will not execute any instrument or grant or transfer any rights or interests inconsistent with the rights and interests granted herein.

I hereby covenant and agree that I will, upon request of the Assignee, communicate to the Assignee any facts known to me relating to said inventions and the history thereof, testify in any legal proceeding, execute all lawful papers, including without limitation all divisional, continuing and reissue applications and all rightful oaths and declarations, and generally do all further acts which may be deemed necessary by the Assignee to obtain and enforce proper patent protection for said inventions in all countries.
