## ASSIGNMENT

**Andrew HUMPHRIS**, residing at 27 Vintner Road, Abingdon Oxfordshire OX14 3PF, United Kingdom, a citizen of Great Britain (hereafter referred to as the undersigned), is the inventor of

### VIBRATION COMPENSATION IN PROBE MICROSCOPY

for which the undersigned has executed an application for United States Letters Patent, U.S. Patent Application No. 12/672,022, filed 3 February 2010.

The undersigned hereby authorize assignee or assignee's representative to insert the Application Number and the filing date of this application if they are unknown at the time of execution of this assignment.

**INFINITESIMA LTD.**, a British company, having a principal place of business at Oxford Centre for Innovation, Mill Street, Oxford, Oxfordshire OX2 0JX, United Kingdom (hereafter referred to as the assignee), is desirous of acquiring the entire right, title and interest in said invention, all applications for and all letters patent issued on said invention.

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, the undersigned, intending to be legally bound, do hereby sell, assign and transfer to the assignee and assignee's successors, assigns and legal representatives the entire right, title and interest in said invention and all patent applications thereon, including, but not limited to, the application for United States Letters Patent entitled as above, and all divisions and continuations thereof, and in all letters patent, including all reissues and reexaminations thereof, throughout the world, including the right to claim priority under the Paris Convention or other treaty.

It is agreed that the undersigned shall be legally bound, upon request of the assignee, to supply all information and evidence relating to the making and practice of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention throughout the world for the benefit of

the assignee, and to execute all instruments proper to carry out the intent of this instrument.

The undersigned warrant that the rights and property herein conveyed are free and clear of any encumbrance.

EXECUTED under seal on this 3rd day of MARCH, 2010
