## ASSIGNMENT OF PATENTS

This ASSIGNMENT OF PATENTS (this "*Assignment*") is entered into as of February 11, 2010, by and between IA Liquidating Corporation, a Delaware corporation ("*Buyer*") and IdleAire, Inc., a Delaware corporation ("*Seller*").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Buyer and Seller hereby agree as follows:

1. **Assignment.** Seller hereby sells, conveys, transfers, and assigns to Buyer its entire right, title and interest for all countries in and to the United States patents and patent application set forth in Appendix A and in the inventions claimed therein (collectively, the "*Patents*"), including all right, title and interest of Seller in and to any related patent or patent application, all divisions, continuations, or renewals thereof, all letters patent which may be granted therefrom, all reissues or extensions of such patents, and all benefits, privileges, causes of action, claims and remedies arising out of or relating to the Patent, the exploitation thereof, and the use and ownership of any of the Patents, and in and to any and all applications which shall be filed in any foreign countries for letters patent on the business methods, including an assignment of all rights of Seller under the provisions of the International Convention, and all letters patent of foreign countries which may be granted therefrom; and Seller does hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States letters patent for the aforesaid business methods to Buyer as the assignee of the entire right, title and interest of Seller in and to the same, for the use of Buyer.

2. **Governing Law.** This Assignment shall be construed, interpreted and applied in accordance with the laws of the State of Minnesota.

3. **Counterparts.** This Assignment may be executed in any number of counterparts, and any or all of such executed counterparts may be delivered by facsimile transmission, each of which will be deemed an original, but all of which, taken together, will constitute one and the same instrument.
