Assignment

Whereas, I, William HEMBY of Baltimore, Maryland - UNITED STATES OF AMERICA, hereinafter called assignor, have invented certain improvements in LIGHT HOUSING and executed an application for Letters Patent of the United States of America therefor on October 27, 2008; and

Whereas, HALORION LIGHTING AND SECURITY SYSTEMS, LLC, of 2122 Maryland Avenue, Baltimore, Maryland, 21218 - UNITED STATES OF AMERICA (assignee), desires to acquire the entire right, title, and interest in the application and invention, and to any United States patents to be obtained therefor;

Now therefore, for valuable consideration, receipt whereof is hereby acknowledged,

I, the above named assignor, hereby sell, assign and transfer to the above named assignee, its successors and assigns, the entire right, title and interest in the application and the invention disclosed therein for the United States of America, including all divisions, and continuations thereof, and all Letters Patent of the United States that may be granted thereon, and all reissues thereof, and all countries foreign thereto, including rights of priority under the International Convention of Paris (1883) as amended, and I/we request the Director of the U.S. Patent and Trademark Office to issue any Letters Patent granted upon the invention set forth in the application to the assignee, its successors and assigns; and I hereby agree that the assignee may apply for foreign Letters Patent on the invention and I will execute without further consideration all papers deemed necessary by the assignee in connection with the United States and foreign applications when called upon to do so by the assignee.

Application number 29/327,097 and Confirmation number 4839, filed October 30, 2008.
