ASSIGNMENT

WHEREAS, I, **Charles J. Flynn**, a citizen of the United States of America residing at 25409 Timberlake Trail, Greenwood, MO 64034, USA (hereinafter "Assignor"), am the inventor of certain new and useful inventions and discoveries (hereinafter the "Inventions"), for which I have made an application for Letters Patent entitled "**HYBRID PERMANENT MAGNET MOTOR**", for which a provisional patent application was filed in the United States Patent and Trademark Office on **March 7, 2007** and assigned Serial No. **60/893,496** (hereinafter the "Application"); and

WHEREAS, **QM Power, Inc.**, having a place of business at 347 Francestown Road, Greenfield, NH 03047, USA (together with its successors and assigns hereinafter "Assignee"), is desirous of acquiring the title, rights, benefits, and privileges hereinafter recited;

Therefore, for valuable consideration, receipt of which is acknowledged, Assignor hereby assigns to Assignee all of Assignor's right, title and interest in and to the Invention, all improvements therein, the Application and all priority rights arising therefrom, and any patents, and any reissues and extensions thereof, which issue in any country upon any patent applications which correspond with any of the following: the Application; any application that claims priority from the Application (including divisionals, continuations, continuations-in-part, renewals, reissues, re-examinations and extensions); or any application based in whole or in part on any of the foregoing.

Assignor agrees that such Assignor and Assignor's heirs and legal representatives will, without further consideration, cooperate with Assignee in the prosecution of all of the above applications, execute, verify, acknowledge and deliver all such further papers, including applications for patents and for reissues and extensions therefor, and instruments of assignment and transfer thereof, and will communicate any facts known to Assignor relating to the Invention, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignee. Assignor further agrees that such Assignor will, without further compensation to Assignor during the term of such Assignor's employment by Assignee and thereafter for reasonable compensation as determined by Assignee, perform such other acts as reasonably may be required when requested by Assignee, including attending depositions,

preparing and executing declarations and affidavits and testifying as a witness, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto Assignee.

IN TESTIMONY WHEREOF, I have hereunto set my hand and seal.

Date: Sept 6, 2007
