ASSIGNMENT AND AGREEMENT

For value received, I, **Erik Edelboe Rasmussen**, residing at **Vesterhaven 1, 4200 Slagelse, Denmark**, hereby:

assert that the rights to the invention or inventions below mentioned vest in **William Cook Europe ApS**, a European corporation, Sandet 6, DK-4632 Bjaeverskov, Denmark, by virtue of employment or otherwise hereby sell, assign, and transfer to **William Cook Europe ApS** and its successors, assigns, and legal representatives, hereinafter collectively "WCE" the entire right, title and interest in the said invention or inventions, and

William Cook Europe ApS, hereby sells, assigns and transfers to **Cook Incorporated**, a corporation of the State of Indiana, having an office at 750 N. Daniels Way, Bloomington, IN, 47404, U.S.A., and its successors, assigns, and legal representatives, hereinafter collectively "Cook," an equal share in the right, title and interest in the said invention or inventions,

said rights being in the United States of America and all other countries and states of the world and being to the invention or inventions related to "**Introducer Assembly and Implantable Medical Device**" and being described in British Patent Application No. 0906062.5 filed on 7 April 2009 under the patent attorney docket reference **RJ/N24143**, (I hereby consent to the patent attorney entering the serial number when it becomes known), and any and all applications claiming the benefit thereof including the right of priority, and all the rights and privileges in said application and under any and all Letters Patent or any continuation, division, renewal, or substitute thereof, and any reissue or re-examination thereof that may be granted in the United States of American and in any country or state of the world for said inventions. I sell, assign, and transfer this right, title and interest as of the day of signature or of filing of the British Patent Application mentioned above, whichever is the earlier.

I authorize Cook and WCE to make application for such protection in their own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right Cook and WCE to apply for patent or other form
