ASSIGNMENT AGREEMENT

This Agreement is entered into by and between France Telecom, having a place of business at 6 Place d'Alleray, 75015 Paris, France and Commissariat a L'Energie Atomique, having a place of business Bâtiment le Ponant D, 25, rue LeBlanc, 75015 Paris, France.

In consideration of the mutual agreements contained herein and for other good and valuable consideration, acknowledged by each of them to be satisfactory and adequate, the parties hereby agree as follows:

1. France Telecom hereby assigns to Commissariat a L'Energie Atomique the entire right, title and interest in the United States in and to any and all improvements and/or inventions which are disclosed in United States Letters Patent No. 6,255,149 issued on July 3, 2001, and which is entitled "**PROCESS FOR RESTRICTING INTERDIFFUSION IN A SEMICONDUCTOR DEVICE WITH COMPOSITE SI/SIGE GATE**", such application and all divisional, continuing, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States and/or any other countries on any of such improvements and/or inventions; all original and reissued patents which have been or shall be issued in the United States and/or any other countries on such improvements and/or inventions; and specifically including the right to file applications in any other countries under the provisions of any convention or treaty and claim priority based on such applications in the United States and/or any other countries.
2. France Telecom hereby authorizes and requests any issuing authority to issue to Commissariat a L'Energie Atomique any and all United States patents granted on the above-referenced improvements and/or inventions, including the patent application identified above and any subsequent applications filed in the United States and/or any other countries for the improvements and/or inventions.
3. France Telecom hereby warrants that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned.
4. France Telecom hereby agrees that, when requested and at the expense of Commissariat a L'Energie Atomique, to carry out in good faith the intent and purpose of this assignment, that France Telecom will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements and/or inventions; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to Commissariat a L'Energie Atomique all facts known to the undersigned relating to such improvements and/or inventions and the history thereof; and generally do everything possible which Commissariat a L'Energie Atomique shall consider desirable for securing, maintaining and enforcing proper patent protection for such improvements and/or inventions and for vesting title to such improvements and/or inventions in Commissariat a L'Energie Atomique.

5. Commissariat a L'Energie Atomique shall have the sole right to institute, prosecute and control actions, suits or proceedings ("Actions") against third parties with respect to any past, present, or future infringement of any patents maturing from the above-referenced applications, including any declaratory judgment actions, at its expense, using counsel of its choice. Any receipts from such an Actions, including, but not limited to, awards or settlement payments, shall belong to Commissariat a L'Energie Atomique.

6. This Agreement is binding on the assigns, representatives, and successors of both France Telecom and Commissariat a L'Energie Atomique.
