Martin Higgins having legal representative Eileen Higgins (wife), residing at 9 Woodcock Lane, Old Field, New York 11733, have made an invention in:

VARIABLE VOLUME CONTAINMENT FOR ENERGY  
STORAGE DEVICES

and have made application for United States Letters Patent therefor, the same having been filed in the United States Patent and Trademark Office on January 27, 2010 as United States patent application No. 12/694,638 and

WHEREAS, G4 SYNERGETICS, INC., a corporation organized and existing under the laws of the State of Delaware and having an office and place of business at Three Expressway

Plaza, Roslyn, New York 11577, is desirous of acquiring the entire interest in said invention, said United States patent application and any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) to us paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer unto the said G4 SYNERGETICS, INC., its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States patent application, including any continuations, continuations in part, and divisions thereof, and any substitute applications therefor, and any patents which may issue thereon, and any reissues of the same, and including the right to claim priority under the International Convention based on said patent application; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations, continuations in part, and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same; and we hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said G4 SYNERGETICS, INC., as the assignee of the entire interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.
