Whereas we, Franz Klaiber, who resides at 4, Albstrasse, 78564 Wehingen, Germany, and Peter Novak, who resides at 16, Oberstrasse, CH-8274 Tagerwilen, Switzerland, (hereinafter referred to as "the Assignor"), are the sole inventors and the sole owners of the entire right, title, and interest in the inventions and discoveries entitled Device for Conveying Objects, an application for entry into the U.S. National Phase under §371 for International Application No. PCT/EP2006/008772 having an international filing date of September 8, 2006, and from which priority is claimed under all applicable sections of Title 35 of the United States Code including, but not limited to, Sections 120, 363 and 365(c), and which in turn claims priority under 35 USC 119 to German Patent Application No. 10 2005 043 282.4 filed on September 9, 2005, and German Patent Application No. 10 2006 038 320.6 filed on August 15, 2006.

Whereas Sidel Participations, S.A.S., having its principal place of business at Avenue de La Patrouille de France, F-76930 Octeville-sur-Mer, France, together with his successors and assigns (hereinafter referred to as "the Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions and discoveries as set forth and described in U.S. Application for Letters Patent U.S. Serial No. 11/991,581 including the full interest of above-mentioned Assignor, and any continuations, divisions, extensions, substitutions, reissues and reexaminations thereof;

Now, therefore, to all whom it may concern, be it known, that the Assignor, for and in consideration of the sum of one U.S. Dollars (\$1.00) receipt and sufficiency of which is hereby acknowledged and other valuable consideration furnished by Assignee to Assignor, Assignor hereby, without reservation:

1. Assigns, transfers, and conveys to the Assignee the entire right, title, and interest in and to said inventions and discoveries and any and all improvements thereon, including said Application for Letters Patent of the United States of America, any and all other applications for Application for Letters Patent on said inventions and discoveries in whatsoever countries, including but not limited to all divisional, continuation, continuation-in-part, foreign filing and PCT applications based in whole or in part upon said inventions and discoveries, or any and all Letters Patent, reissues, reexaminations, and extensions of Letters Patent granted for said inventions and discoveries, and every priority right that is or may be predicted upon or arise from said inventions, said discoveries, and said Letters Patent, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all claims for damages by reason of past infringement of said Application for Letters Patent, with the right to sue for and collect the same for Assignee's own use, and for the use of Assignee's successors, assigns, or other legal representatives;

2. Authorizes the Assignee to file patent applications in any or all countries on any or all of said inventions and discoveries in the Assignor's name or in the name of the Assignee or otherwise as the Assignee may deem advisable, under any treaties and conventions or otherwise;

Docket No: 08-039-PW

3. Authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer said Application for Letters Patent to the Assignee, as assignee of the entire right, title, and interest therein or otherwise as the Assignee may direct;

4. Warrants that that the Assignor has not knowingly conveyed to others any right in said inventions, discoveries, applications or patents or any license to use the same or to make, use, or sell anything embodying or utilizing any of said inventions or discoveries; and that the Assignor has good right to assign the Assignee without encumbrances;

5. Binds the Assignor's heirs, legal representatives and assigns, as well as the Assignor, to do, upon the Assignee's request and at the Assignee's expense, but without additional consideration to the Assignor or the Assignor's heirs, legal representatives and assigns, all acts reasonably serving to assure that the said inventions and discoveries, the said Application for Letters Patent shall be held and enjoyed by the Assignee as fully and entirely as the same could have been held and enjoyed by the Assignor or the Assignor's heirs, legal representatives, and assigns if this assignment had not been made; and particularly to execute and deliver to the Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by the Assignee; to communicate to the Assignee all facts known to the Assignor relating to said inventions and discoveries or the history thereof, and to furnish the Assignee with any and all documents, photographs, models, samples, and other physical exhibits in the Assignor's control or in the control of the Assignor's heirs, legal representatives or assigns which may be useful for establishing the facts of the Assignor's conceptions, disclosures, and reduction to practice of said inventions and discoveries.
