ASSIGNMENT

WHEREAS, WE, Alexandre N. Terentiev, of Lexington, Kentucky, Sergey Terentyev, of Lexington, Kentucky, and Jeffery Lee Craig, of Ballwin, Missouri have made certain new and useful inventions as set forth in an application for United States Letters Patent entitled BIOREACTOR;

AND WHEREAS, LEVTECH, INC., a corporation of the state of Delaware, and having a place of business at 1509 Bull Lea Road, Suite 300, Lexington, Kentucky 40511, is desirous of acquiring the entire right, title and interest in and to said inventions and in and to any and all Letters Patent of the United States that may be obtained therefor based on these patent applications or any foreign patent issued based on this application;

NOW, THEREFORE, for good and valuable consideration, we do hereby sell, assign, transfer and set over unto LEVTECH, INC., its legal representatives, successors, and assigns, the entire right, title and interest in and to said inventions as set forth in the above-mentioned application, and in and to any and all Letters Patents of the United States and foreign countries which may be issued for said inventions;

UPON SAID CONSIDERATIONS, we hereby agree with the said assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will, at any time upon request, without further or additional consideration but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, continuation-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries in said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of assignor and assignee;

WE hereby authorize and request King & Schickli, PLLC of 247 North Broadway, Lexington, Kentucky 40507 to insert here in parentheses (Serial No. 12/761,111),

filed April 15, 2010 ) the serial number and filing date of this application when known.

AND we request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States or in any foreign countries which may issue for said inventions to LEVTECH, INC., its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patents and the inventions covered thereby.
