## ASSIGNMENT

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, BE IT KNOWN, that the undersigned inventor(s), for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Jonathon Jundt and Cheryl Jundt, having made an invention in "Medical Tubing Stabilization Device", do hereby ASSIGN, SELL and CONVEY to Imagident, LLC, a limited liability company organized and existing under the laws of the State of Texas (sometimes hereinafter called "ASSIGNEE"), its successors and assigns, the entire right, title and interest throughout the world in and to:

1. Said invention in Medical Tubing Stabilization Device;
2. The U.S. Patent Application on said invention, filed concurrently herewith or as U.S. Patent Application No. 12762201 filed 16 APRIL 2010, (Attorney's File No. JUND-001-0002, attorney is authorized to fill in the application number and filing date after the USPTO assigns them), entitled Medical Tubing Stabilization Device;
3. All applications for patent or like protection on said invention that have now been or may in the future be made by us or our legal representatives, whether in the United States of America or any other place anywhere in the world;
4. All patents and like protection that have now been or may in the future be granted on said invention to us or our legal representatives, whether in the United States of America or in any other country or place anywhere in the world;
5. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said applications and patents and like grants, including without limitations, those obtained or permissible under past, present and future law and statutes;
6. All rights of action on account of past, present and future unauthorized use of said invention for infringement of said patents and like protection;
7. The right to ASSIGNEE to file in its name applications for patents and like protection for said invention in any country or countries foreign to the United States; and
8. All international rights of priority associated with said invention, applications, patents and like protection; and

We covenant that We, our heirs, legal representatives, assigns, administrators, and executors will at the expense of ASSIGNEE, its successors and assigns, execute all papers and perform such other acts as may be reasonably necessary to give ASSIGNEE, its successors and assigns, the full benefit of this Assignment.
