EXCLUSIVE LICENSE FOR THE UNITED STATES

WHEREAS, I, Cheng Tong, a citizen of the Republic of China, having a residence at No. 26 Rd Senjiang, Hengjiang, Yanbu, Hanhai, Foshan, Guangdong 528200 China, have invented certain new and useful improvements in a microderm abrasion machine for which I am about to make application for Letters Patent of The United States, which application may be identified in the United States Patent Office as

MICRODERM ABRASION MACHINE

Serial No. 29/319,913 Filing Date June 17, 2008
and,

WHEREAS, James Chapman, a citizen of the United States of America, residing at P. O. Box 682, Harrison, Tennessee 37341, is desirous of acquiring an exclusive license to the right, title and interest in and to said invention in only the United States, said application and the Letters Patent to be obtained therefor:

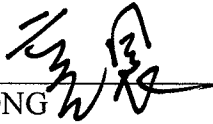

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt of which is hereby acknowledged, I the said **Cheng Tong** hereby exclusively license the said **James Chapman**, his successors and assigns my right, title and interest in and to the above mentioned invention and application only in the United States of America, and in and to any and all United States Letters Patent which may hereafter be granted therefor, and in and to any and all extensions, continuations, divisions, or reissues of said Letters Patent in the United States, the same to be held and enjoyed by the said **James Chapman** for his own use and behoof, and the use and behoof of his successors and assigns, to the full end of the term for which said United States Letters Patent may be granted.

I hereby authorize the above-mentioned licensee to insert in this instrument the filing date and serial number of my said application.

Upon said consideration, I convey to said licensee the right to make application in its own behalf for protection of said invention in the United States; and I do hereby covenant and agree with the said licensee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will at any time upon request, without further or additional consideration, but at the expense of the said licensee, execute such additional other writings and do such additional acts as said licensee may deem necessary or desirable to perfect the licensee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, renewal, reissued or extended Letters Patent of the United States on said invention, and in enforcing any rights or choses in action in the United States December 18, 2002 accruing as a result of such application or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements

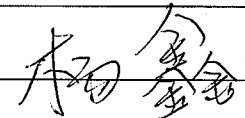

and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of both parties.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on the day and year below written in the presence of the subscribing witnesses.
