ASSIGNMENT

WHEREAS, I, **Andreas Baehre**, a citizen of Germany, residing at Am Wolfshof 10, 90475 Nuernberg, Germany, have invented certain inventions and improvements disclosed in an application for Letters Patent entitled "**System and Method for Data Communication between a User Terminal and a Gateway via a Network Node**," filed in the United States Patent and Trademark Office on February 16, 2010 and assigned U.S. Patent Application No. 12/706,456 and

WHEREAS, **NCP engineering GmbH**, having a principal place of business at Dombuehler Str. 2, 90449 Nuernberg, Germany, is desirous of acquiring an interest in the same.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I, **Andreas Baehre**, by these presents do sell, assign, and transfer to **NCP engineering GmbH**, the full, exclusive, and entire right, title, and interest in and to said application, in and to any divisions, continuations, reexaminations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and I hereby request the Director of the U.S. Patent and Trademark Office to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, reexamination, or reissue thereof, to **NCP engineering GmbH** as the assignee, for its interest and for the sole use and benefit of **NCP engineering GmbH** and its assigns and legal representatives;

For the same consideration, I, by these presents, do sell, assign, and transfer to **NCP engineering GmbH** the full, exclusive, and entire right, title, and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable

conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **NCP engineering GmbH** or its designee insofar as permitted by applicable law;

AND, for the same consideration, I agree to sign all lawful papers, execute all division, continuing, reexamination, reissue, and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **NCP engineering GmbH**, its successors, assigns, and nominees to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
