ASSIGNMENT

WHEREAS, We, Robin R. ODER and Russell E. JAMISON, residing at the addresses listed below our signatures, have invented certain new and useful improvements in **APPARATUS AND METHOD FOR CONTINUOUS SEPARATION OF MAGNETIC PARTICLES FROM NON-MAGNETIC FLUIDS** for which we have this day executed an application for United States Letters Patent; and which is the U.S. National Phase of International Application No. PCT/US2004/033387, filed October 8, 2004, now Publication No. WO 2005/035131, published April 21, 2005, which claims the benefit of United States Provisional Application No. 60/510,052, filed October 9, 2003 (hereinafter "said applications").

AND, WHEREAS, EXPORTECH COMPANY, INC., a corporation of the Commonwealth of Pennsylvania, having a place of business at Building 242, Schreiber Industrial District, 12th Street, P.O. Box 588, New Kensington, Pennsylvania 15068-0588, hereinafter called the "assignee", is desirous of acquiring the entire right, title, and interest in and to said applications and the inventions and improvements therein disclosed.

NOW, THEREFORE, for good and valuable consideration paid to us by said assignee, the receipt of which is hereby acknowledged, we do hereby assign, sell, transfer, and set over unto said assignee the entire right, title and interest in and to said applications and the inventions and improvements therein disclosed for the United States and all foreign countries and any Letters Patent which may issue therefor in the United States and all foreign countries and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, said assignee to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent and any and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by us had this assignment not been made.

The Commissioner for Patents is requested to issue such Letters Patent in accordance herewith. We covenant that we are the lawful owners of the said applications, inventions, and improvements, that the same are unencumbered, that no license has been granted to make, use, or vend the said inventions or improvements or any of them, and that we have the full right to make this assignment.

And for the consideration aforesaid, we agree that we will communicate to said assignee or the representatives thereof any facts known to us respecting said inventions and improvements, and will, upon request, but without expense to us, testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue, continuation, continuation-in-part, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said assignee or by counsel for said assignee, to assist or enable said assignee to obtain and enforce full benefits from the rights and interests

herein assigned. This assignment shall be binding upon our heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors, and/or assigns, as the case may be, of said assignee.
