NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said RYAN, INC., its successors, legal representatives, and assigns, the entire right, title, and interest in, to and under the said invention, and the said application, and all corresponding patent applications as well as all divisional, renewal, substitutional, continuing and continuation-in-part applications thereof, and all Letters Patent of the United States of America that may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may be filed for said invention in any country or countries foreign to the United States of America, and all extensions, renewals, and reissues thereof, and all prior patents and patent applications from which a filing priority of the above-described patent application may be obtained, including the right to collect past damages; and I hereby authorize and request the Commissioner of Patents of the United States of America, and any official of any country or countries foreign to the United States of America, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said invention to the said RYAN, INC., its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to said RYAN, INC., its successors, legal representatives and assigns, any facts known to us respecting said invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, renewal, substitutional, continuing, continuation-in-part and reissue applications, make all rightful declarations and/or oaths and generally do everything possible to aid the said RYAN, INC., its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said invention in all countries.
