PATENT ASSIGNMENT

This assignment made on the date shown below by Gabriel E. Uzunian of Rye, New York and Betty F. Aucar of Ossining, New York (Assignors), to BASF Corporation, having a place of business at 100 Campus Drive, Florham Park, New Jersey 07932 (Assignee);

WHEREAS, Assignors have invented a new, original and useful invention entitled COLOR COSMETIC (Invention) for which a United States utility patent application was filed, further identified by Cislo & Thomas' Docket No. 09-22439 (Patent Application);

WHEREAS, Assignors believe themselves to be the original, first, and joint inventors of the Invention disclosed and claimed in said Patent Application along with Kimber Maderazzo and Nathalie Schlemer; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment Assignors' entire right, title, and interest in and to said Invention, and said Patent Application in the United States and throughout the world.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign, and transfer to Assignee, their entire right, title, and interest in and to said Invention, and said Patent Application for said Invention in the United States and throughout the world, including the exclusive right to file any provisional, non-provisional, divisional, continuation, continuation-in-part, reissue, foreign, or other application based on the Invention directly in the name of Assignee and to claim any priority rights to which such applications are entitled under international conventions, treaties, or otherwise.

Further Assignors agree that, upon request and without further compensation, but

at no expense to Assignors, each and their legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing said Patent Application in the United States and throughout the world for said Invention, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said Invention, and said Patent Application filed, and any patents granted for said Invention in the United States and throughout the world.

Assignors represent and warrant that each has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Patent granted for said Invention, whether on an application for said Invention, said Patent Application, or on any subsequently filed provisional, non-provisional, divisional, continuation, continuation-in-part, reissue, or other application, to Assignee, its successors and assigns, as the assignee of their entire interest in said Invention.

IN WITNESS WHEREOF, Assignors have executed this Assignment on the date first above written and as set forth below.
