as Assignee, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries in and to certain inventions relating to the Coffee Machine described in an application for Letters Patent of the United States serial number 29/358,732 filed on March 31, 2010, claiming priority from German application 40 2009 004 817.5 filed on October 7, 2009, and all the rights and privileges under any and all Letters Patent that may be granted therefor.
