	<i>Filing Date</i>	October 27, 2007

WHEREAS University of Utah, a corporation of the state of Utah ("Assignor"), is the owner of the entire right, title, and interest in a certain new and useful invention entitled IDENTIFICATION OF THE HEPCIDIN BINDING SITE ON FERROPORTIN, the application for United States Letters Patent which is identified above; and

WHEREAS, University of Utah Research Foundation, a corporation of the State of Utah, having a business address of 615 Arapleen Drive, Suite 310, Salt Lake City, Utah 84108 ("Assignee"), is desirous of acquiring the entire right, title, and interest in the same;

NOW, THEREFORE, in consideration of one dollar (\$1.00), the receipt and sufficiency whereof is hereby acknowledged, and other good and valuable consideration, the Assignor, by these presents, does hereby sell, assign, and transfer unto said Assignee, the full and exclusive right to the said invention and in and to said application and any and all provisionals, non-provisionals, divisions and continuations, substitutes and reissues of said application and the entire right, title, and interest in, to and under any and all Letters Patent of the United States and foreign countries that may issue or be granted on said invention.

The Assignor hereby authorizes the Assignee to apply for and receive any and all United States and foreign patents relating to such improvements in its own name.

The Assignor hereby authorizes and requests the issuing authority to issue any and all United States and foreign patents granted on such improvements to and in the name of the Assignee.

The Assignor warrants and covenants that no assignment, grant, mortgage, license or
