I/We made said design(s) set forth in said Registered Community Design(s) while employed by, or otherwise under an obligation to assign said design(s) to Braun GmbH or one of its Affiliates and acknowledge my/our obligation at the time the design(s) was made to assign said design(s) to Braun GmbH or the Affiliate, respectively.

Pursuant to said obligation (and in the case of employment by or obligation to the Affiliate, at the request of the Affiliate), and/or for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I/we assign to Braun GmbH, its legal representatives, successors and assigns, all right, title and interest, in the United States and throughout the world, in, to and under said design(s) and all patents, patent applications, patent rights and inventor's certificates thereof, therefore and therein, including without limitation said design(s), all divisions and continuations thereof, all patents which may be granted thereon, all reissues and extensions thereof, all patents which may be granted for said design(s) by states or nations other than the United States, or by other authority, entity, or organization, and all applications therefore (including the right to claim priority of the filing date of said design(s) in the United States and/or under international conventions), as fully and completely as the same would have been held by me/us had this assignment not been made. The entire right, title and interest shall vest irrevocably in Braun GmbH. I/we further agree upon request, without additional compensation but at no expense to me/us, to execute or assent to any and all applications for said design(s), and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to Braun GmbH, its legal representatives, successors and assigns, or as said Company may direct.

I/We request and authorize the Commissioner of Patents and Trademarks and/or appropriately empowered officials of foreign countries to issue any and all design registrations, design patents, patent(s) and/or letter patent(s) which may be granted for said design(s) herein assigned and as set forth in U. S. Application Serial Numbers **Design #1:** _____, **Design #2:** _____, **Design #3:** _____, **Design #4:** _____, **Design #5:** _____, **Design #6:** _____, to Braun GmbH, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said design registrations, design patents, patent(s) and/or letter patent(s).

This GLOBAL GENERAL ASSIGNMENT is effective as of the earlier of 1) the date of execution shown below or 2) the filing date of the first-filed of said Design(s).
