ASSIGNMENT

WHEREAS, I, RUBY B. LEE, a citizen of the United States of America, residing at 55 Ettl Circle, Princeton, New Jersey 08540; (hereinafter "Assignor"), have invented with my co-inventor, DAVID CHAMPAGNE, a SYSTEM AND METHOD FOR PROCESSOR-BASED SECURITY, for which an application for United States Letters Patent was filed on January 19, 2010, as Application Serial No. 12/689,674, which claims the benefit of U.S. Provisional Application No. 61/145,273, filed on January 16, 2009.

WHEREAS, Teleputers, LLC, a limited liability company organized and existing under the laws of New Jersey and having a place of business at 55 Ettl Circle, Princeton, New Jersey 08540 (hereinafter "Assignee"), is desirous of acquiring Assignor's right, title and interest in and to the invention and the aforementioned applications.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and sets over to Assignee Assignor's entire right, title and interest in and for the United States of America and all other countries in and to said invention and said applications for patent, all original, divisional, continuation, continuation-in-part, substitute or reissue applications and patents applied for or granted therefor in the United States of America and all other countries, and the Commissioner of Patents is hereby authorized and requested to issue all patents on said applications to Teleputers, LLC, as Assignee of Assignor's interest therein; and the undersigned for Assignor and Assignor's legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all divisional, continuation, continuation-in-part, reissue and other applications for patent on the invention and all assignments and powers of attorney thereof to Assignee or its assigns, to communicate to Assignee or its legal representatives all facts known to the undersigned respecting said invention, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid Assignee, its successors, assigns and nominees in obtaining patent protection on said invention in all countries, the expenses incident to said applications to be borne and paid by Assignee.
