ASSIGNMENT

THIS ASSIGNMENT, made by **Midwest R.F., L.L.C.**, a Wisconsin limited liability company having a principal place of business at 535 Norton Drive, Hartland, Wisconsin 53029, hereinafter referred to as Assignor;

WITNESSETH: That,

WHEREAS, the above named corporation is a co-owner of one or more inventions described in **IMAGING DEVICE FOR MRI-GUIDED MEDICAL INTERVENTIONAL SYSTEMS**, for which an application was filed in the United States Patent and Trademark Office. I hereby authorize and request Myers Bigel Sibley & Sajovec, P.A., to insert here in parentheses (Application No. 12/237,033, filed on September 24, 2008) the filing date and application number of said application when known or to file this Assignment concurrently with the application; and

WHEREAS, **Surgi-Vision, Inc.**, a Delaware corporation having a principal place of business at 1 Commerce Square, Suite 2550, Memphis, Tennessee 38103, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title, and interest in and to said invention as described in said provisional application, and in and to any and all Letters Patent which shall be granted for patent applications claiming priority thereto in the United States of America and all foreign countries;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, including previous and/or on-going consulting services, the receipt and sufficiency of which is hereby acknowledged, the above Assignor has sold, assigned, transferred, and/or conveyed unto the Assignee, its successors and assigns, the entire right, title, and interest in and to the said invention(s) and provisional application, and in and to any and all subsequent patent applications which claim the benefit of priority from said provisional application including PCT applications and national stage applications thereof, including all continuations or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted for the invention(s) in or on applications claiming the benefit of priority from said provisional application, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereof or therefor, together with the

benefit of priority from said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment, transfer, conveyance and/or sale had not been made.

The Assignor further covenants and agrees that it possesses its full title to the invention(s), and patent application as earlier identified, and that it has the unencumbered right and authority to make this assignment.

IN WITNESS WHEREOF, the Assignor has caused this assignment to be executed this 12 day of March, 2010. The undersigned warrants and represents that he/she has the authority to sign this Assignment on behalf of the Assignor, **Midwest R.F., L.L.C.**
