ASSIGNMENT

WHEREAS, we, **Brian Masterson** with an address of 5680 Thompson Hill Road, Placerville, CA 95667; and **Gregory Geiger** with an address of 2215 9th Street, Apt. 301, Sacramento, CA 95818; the undersigned inventors and the ASSIGNORS herein, have invented a **DUAL TRACK EXERCISE DEVICE**, for which an application for a Letters Patent of the United States was filed on April 1, 2010, receiving Application Serial No. 29/358,889; and

WHEREAS, **BALANCED BODY, INC.** is a corporation organized and existing under the laws of the State of California, United States of America, having a place of business at 8220 Ferguson Avenue, Sacramento, CA 95828, the ASSIGNEE herein, desires to document its ownership of the entire right, title and interest in and to said inventions, applications and Letters Patent to be granted and issued thereon;

NOW, THEREFORE, for good and valuable consideration by the ASSIGNEE, the receipt and legal sufficiency of all of which is hereby acknowledged, we, the said ASSIGNORS, acknowledge that we have transferred and do hereby sell, assign, transfer and set over unto said ASSIGNEE, its successors and assigns, the entire right, title and interest in and to said inventions and all improvements thereon, in and to said application for Letters Patent thereon, in and to applications pertaining to or based upon said inventions and applications, including divisional and continuing applications and continuations-in-part and reissues and reexaminations, and in and to any and all Letters Patent which may be granted and issued on said inventions and applications, or any of them, not only for, to and in the United States of America, its territories and possessions, but for, to and in all countries foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

We do hereby acknowledge that we have agreed, and do hereby agree, that we will, at the request of said ASSIGNEE, execute any and all applications for Letters Patent for said inventions and any and all other papers and documents and do all other and further lawful acts that said ASSIGNEE may deem necessary or desirable to obtain Letters Patent on said inventions, to secure the grant of such Letters Patent and to perfect and vest in the ASSIGNEE the entire right, title and interest in the inventions, applications and Letters Patent.

We do hereby acknowledge that we have authorized, and do hereby authorize and empower the ASSIGNEE, its successors and assigns, to apply for and obtain, in its or their own names, Letters Patent for the said inventions before competent International Authorities and in any and all countries

foreign to the United States in which applications for Letters Patent can be so made or Letters Patent so obtained.
