OP \$40.00 12700470

ASSIGNMENT

WHEREAS, I, **Nian-hua OU**, residing at 3660 Millwater Crossing, Dacula, Georgia, 30019, hereinafter "Assignor", have invented new and useful improvements in a **"WOOD COMPOSITE MATERIAL CONTAINING STRANDS OF DIFFERING DENSITIES"** for which U.S. Non-Provisional Patent Application Serial No. 12/700,470 was filed on February 4, 2010, and;

AND WHEREAS Assignor has previously transferred and/or desires to hereby transfer any and all rights title and interest in and to the patent application and the underlying invention to **HUBER ENGINEERED WOODS LLC**, a Delaware limited liability company having a principal place of business at One Resource Square, 10925 David Taylor Drive, Suite 300, Charlotte, North Carolina 28262, hereinafter "Assignee", and Assignee is desirous of confirming the prior acquisition and/or hereby acquiring all rights, title, and interest in and to the invention and the patent application from Assignor;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor by these presents does hereby confirm and ratify the prior transfer of, and to the extent the prior transfer was ineffective or incomplete, does assign and transfer unto said Assignee the Assignor's entire past, present and future right, title and interest in and to said invention, design, and patent application in the United States and throughout the world, including without limitation, any letters patent which may issue thereon or therefor, and any subsequent patent(s) or application(s) claiming priority to the above-identified patent application, including any non-provisional U.S. patent application(s) claiming priority under 35 U.S.C. § 119(e),

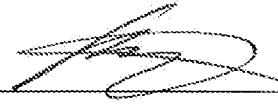

any foreign or international counterpart application(s) for patent or utility model, any reissue, reexamination, division, continuation-in-part, extension or continuation application(s), all rights of priority under any international treaty or convention arising from said application, and the right to sue and collect damages for any past, present, or future infringement; the same for Assignee's legal representatives and assigns, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made;

AND, I hereby bind myself, my heirs, legal representatives, administrators and assigns properly to execute without further consideration any and all applications, petitions, oaths, declarations and assignments or other papers and instruments which may be necessary in order to carry into full force and effect the sale, assignment, transfer and conveyance hereby made or intended to be made and generally do everything possible to aid Assignee, its legal representatives and assigns to obtain and enforce proper protection for said inventions in all countries throughout the world.

Assignor acknowledges that the attorneys and agents of the law firm of Gardner Groff Greenwald & Villanueva, PC do not personally represent Assignor or Assignor's legal interests, but instead represent the interests of Assignee, and cannot provide legal advice to Assignor with respect to this Assignment. Assignor further acknowledges his right to obtain independent legal counsel.

IN WITNESS WHEREOF, I have executed this assignment this 11th day of
MARCH, 2010.

Signed:

Nian-hua Ou
