ASSIGNMENT OF INTELLECTUAL PROPERTY

This ASSIGNMENT OF INTELLECTUAL PROPERTY (this "**Assignment**") is made and is effective this 10th day of May, 2010, by Golden Temple of Oregon, LLC, an Oregon limited liability company, having its principal offices at 2545 Prairie Road, Eugene, Oregon 97402 (the "**Assignor**") in favor of Hearthside Food Solutions, LLC, a Delaware limited liability company having offices at 5353 Broadmoor, SE, Suite 100, Kentwood, Michigan 49512 (the "**Assignee**").

WHEREAS, upon the terms and subject to the conditions set forth in that certain Asset Purchase Agreement, dated as of March 6, 2010, by and among the Assignor, the Assignee, Golden Temple Management, LLC, and those additional Persons identified as "**Additional Restricted Parties**" on the signature pages thereto (the "**Purchase Agreement**"), the Assignor has agreed to sell, convey, transfer, assign and deliver to the Assignee all of the Assignor's right, title and interest in and to the Assigned Intellectual Property (as defined in the Purchase Agreement); and

WHEREAS, the Assignee has agreed to acquire the Assigned Intellectual Property upon the terms and subject to the conditions set forth in the Purchase Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties provide and agree as follows:

1. Capitalized Terms. Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to them in the Purchase Agreement.

2. Assignment of IP. The Assignor hereby sells, conveys, assigns, transfers and delivers to the Assignee all of the Assignor's right, title, and interest in and to the Assigned Intellectual Property, together with all renewals and extensions of such Assigned Intellectual Property that may be obtained under the Laws now or hereafter in force and effect in the United States of America and any other applicable country or countries, more specifically but without limitation:

A. Those certain domain names set forth on Exhibit A attached hereto or relating, solely and exclusively, to the operation of the Acquired Business (the "**Domain Names**");

B. The trademarks, service marks and trade names set forth on Exhibit B attached hereto, and the accompanying identifying symbols, designs, product names, company names, slogans, logos or insignia, and all common law rights, applications and registrations therefor throughout the world, whether registered or unregistered, and the right to sue third parties for past, present or future infringements of any of the foregoing, to fully and entirely stand in the place of Assignor in all matters related thereto, and all goodwill associated with any of the foregoing (collectively, the "**Trademarks**"); and

C. The patent applications set forth on Exhibit C attached hereto and all registrations and recordings of, any such patent applications throughout the world, and (i) all issued patents, reissues, divisions, continuations, continuations-in-part, extensions, renewals and re-examinations of any of the foregoing, (ii) all proceeds of, and rights associated with, any of the foregoing items (including license royalties and proceeds of infringement suits), the right to sue third parties for past, present or future infringements of any of the foregoing, and (iii) all other rights corresponding to any of the foregoing (collectively, the "**Patent Applications**").

3. Regulatory Authorities. The Assignor hereby authorizes the Commissioner of Trademarks of the United States and other empowered officials of the relevant trademark offices (including the United States Patent and Trademark Office), domain name registrars, copyright offices, and other governmental or regulatory authorities to record the transfer of the Assigned Intellectual Property to the Assignee as assignee of the Assignor's entire right, title and interest therein, and to issue all future registrations and other rights relating to the Domain Names, the Trademarks, the Patent Applications and other Assigned Intellectual Property to the Assignee.

4. Further Assurances. The Assignor shall execute any additional documents reasonably requested by the Assignee at any time in the future to enable the Assignor to protect, perfect, enforce, or otherwise secure the Assignee's rights in, and/or ownership of, the Domain Names, the Trademarks, the Patent Applications and other Assigned Intellectual Property.

5. Controlling Document. Nothing contained herein shall itself change, amend, extend or alter (nor shall it be deemed or construed as changing, amending, extending or altering) the terms or conditions of the Purchase Agreement in any manner whatsoever. In the event of any conflict or inconsistency between the terms, provisions and conditions of this Assignment and the Purchase Agreement, the terms, provisions and conditions of the Purchase Agreement shall govern.

6. Binding Effect. This Assignment shall be binding upon and inure to the benefit of the Assignor and the Assignee, and their Representatives, successors and permitted assigns, in accordance with the terms of the Purchase Agreement.

[Signature Page Follows]

The Assignor has executed this Assignment as of the date first written above.
