ASSIGNMENT

THIS ASSIGNMENT, made by me, **Jerome A. Grunstad**, a citizen of the United States of America, residing in Inver Grove Heights, Minnesota 55076-2232;

WITNESSETH: That,

WHEREAS, I am a joint inventor of an ornamental design for **DRY POWDER INHALER**, for which Design Patent Application Serial Number 29/358,433 was filed in the United States Patent and Trademark Office on March 26, 2010; and

WHEREAS, **Phillips Plastics Corporation**, a Wisconsin corporation having a principal place of business at Seven Long Lake Drive, Phillips, Wisconsin 54555, hereinafter referred to as Assignee, is desirous of acquiring my entire right, title, and interest in and to said design as described in said application, and in and to any and all Letters Patent or other form of design protection which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold and by these presents do hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, the entire right, title, and interest in and to said design and design application, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

I further covenant and agree that, at the time of the execution and delivery of these presents, I possess full title to the design and application above-mentioned, and that I have the unencumbered right and authority to make this assignment.

I further covenant and agree to promptly communicate to said Assignee or its
