Attorney Docket No. 1009.10

ASSIGNMENT

WHEREAS Lee K. French ("Inventor"), of Lamberton, MN, has invented certain new and useful improvements in CORN INBREDS LIKE FAR601 AND HYBRIDS THEREOF, for which an application for Letters Patent of the United States has been made, and which may be identified in the United States Patent Office by Application No. 12/143,079, filed June 20, 2008 ("Application");

WHEREAS, Inventor has previously assigned said Application to Red Rock Genetics, LLC ("Assignor"), a business entity organized and existing under the laws of the State of Delaware, and having its principal offices at 41295 County Road 54, Lamberton, Minnesota 56152; and

WHEREAS, Suntava, LLC ("Assignee"), a business entity organized and existing under the laws of the State of Delaware, and having its principal offices at 3290 S. St. Croix Trail, Box 268, Afton, Minnesota 55001, has acquired the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor in a certain Technology Assignment Agreement executed 21 January 2010;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration to Assignor in hand paid by said Assignee, the receipt of which is hereby acknowledged, Assignor sells, assigns and transfers, and by these presents does hereby sell, assign and transfer unto the Assignee, its successors and assigns, Assignor's entire right, title and interest in and to said invention, said application, all applications claiming priority to said application including all divisions, continuations or renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue, therefrom including all reissues or extensions of such patents including all of Assignor's rights under the International Convention, and Assignor does hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned Assignee in accordance herewith, if Assignor has not previously done so.

Assignor hereby authorizes the above-mentioned Assignee, its successors and assigns, or anyone it may properly designate, to insert in this instrument the date of execution and/or filing date and application number of said application when ascertained.

Assignor further authorizes said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Upon said consideration Assignor hereby covenants and agrees with the Assignee, its successors and assigns, that Assignor will not execute in writing or do any act whatsoever conflicting with these presents, and that Assignor or Assignor's executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights occurring as a result
