**RELEASE OF SECURITY INTERESTS IN PATENT, APPLICATION
AND INVENTION**

WHEREAS, Software Products LLC ("Software Products"), owns all right, title and interest in and to United States Patent Application Serial No. 11/788,603, filed April 20, 2007, entitled MEDICAL CARE ADMINISTRATION SYSTEM AND METHOD ("Application"); and

WHEREAS, a security interest was granted in the Application to The Privatebank and Trust Company having an address of 70 West Madison Street, Chicago, IL 60602 ("Privatebank"), and any divisional, renewals and continuations thereof, including: (i) all priority rights arising therefrom, (ii) all inventions disclosed in the Applications, (iii) any and all original and reissue letters patent of the United States and of all other countries, together with the right to apply for any such letters patent which may be granted for said invention, inventions or any of them, (iv) all claims for damage by reason of infringement of the Patents, and (v) any and all proceeds of the foregoing; and

WHEREAS, such security interest was recorded within the records of the United States Patent and Trademark Office at reel 23620, frame 0001; and

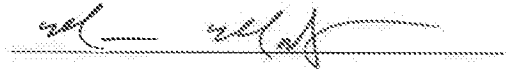

WHEREAS, Privatebank wishes to formally release its security interest and all right, title and interest of Privatebank in and to the Application;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Privatebank does hereby release and forever discharge and reconvey to Software Products all of Privatebank's security interest in the Application as if the security interest had never been granted, and Privatebank agrees with respect to the security interest to perform any additional acts necessary (including executing additional documents) to confirm that Privatebank has no interests of any type in, to, or under the Application and security interest therein.

IN WITNESS WHEREOF, this RELEASE OF SECURITY INTERESTS IN PATENT, APPLICATION AND INVENTION to be executed and delivered as of the 3rd day of May, 2010.
