ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I

Melvin James BULLEN of Los Gatos, California

hereby sell, assign and transfer to **Solar Components LLC** a Delaware corporation, having a place of business at 1725 South Bascom Avenue, Suite 216, Campbell, CA 95008, its successors and assigns, the entire right, title and interest throughout the world in my invention in

PERSONAL SOLAR CHARGER

for which I have executed a United States design patent application on March 10, 2010, and assigned Application No. 29/357,339, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from me; I agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and I request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 17 day of May, 2010.
