Assignment

Serial No. 12/799,055Filed April 16, 2010

In Consideration of One Dollar and other good and valuable considerations the receipt of which is hereby acknowledged, the entire right, title and interest in the invention or improvements of the undersigned in **ACTUATOR MECHANISM FOR VENETIAN BLINDS**, and in any and all applications for patent therefor is hereby assigned by the undersigned to **Teh Yor Co., Ltd.**, and the successors, legal representatives and assigns of **Teh Yor Co., Ltd.** (hereinafter collectively called said Assignee).

For said considerations, it is hereby agreed by the undersigned, upon the request of said Assignee, to execute any necessary and proper oaths or affidavits relating to any and all of said applications for patent or required for the filing or prosecution of any divisional or continuing application thereof or for the filing or prosecution of any application for the reissue or extension of any and all patents that may be granted on said invention or improvements that said Assignee may deem necessary or expedient, and for said consideration it is further agreed by the undersigned, upon the request of said Assignee, in the event of said application or any division thereof, or patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in Interference, to cooperate to the best of the ability of the undersigned with said Assignee in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and further to perform, upon such request, any and all affirmative acts to obtain said patent and vest all rights therein hereby conveyed in said Assignee as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made. The undersigned also further agrees, for the said considerations, upon the request of said Assignee, to promptly perform all lawful acts deemed by said Assignee to be necessary or advisable in connection with maintaining, enforcing, or transferring any and all resulting grants of patent. It is agreed that such lawful acts include, but are not limited to, taking oaths, executing declarations, powers, assignments and other papers and giving testimony. The attorneys of record in any and all of said applications for patent are hereby authorized and requested by the undersigned to insert in this Assignment the date and serial number thereof in the places provided therefor.
