## Assignment by Inventors

THIS ASSIGNMENT, made by Lo Ming FOK (hereinafter referred to as Assignor);  
residing at Flat C, 11/F, 40 Pok Field Road, Kennedy Town, HONG KONG;

WHEREAS, Assignor has invented certain new and useful improvements in the  
patent application entitled An Hybrid Illumination System for Head-up Display, set forth in a  
Patent application for Letters Patent of the United States, filed herewith;

(We hereby authorize and request our attorney, associated with Customer Number 95527, to insert on the  
designated lines below, the filing date and application number of said application when known)  
which was filed on.....as United States Application Number.....and

WHEREAS, Hong Kong Applied Science and Technology Research Institute  
Company Limited, a Limited Liability Company organized under and pursuant to the laws of  
Hong Kong, China having its principal place of business at 3/F, Building 6, 2 Science Park  
West Avenue, Hong Kong Science Park, Shatin, New Territories, Hong Kong, China  
(hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest  
in and to said inventions and said Application for Letters Patent of the United States, and in  
and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is  
hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these  
presents do sell, assign, transfer and set over, unto Assignee, its successors, legal  
representatives and assigns, the entire right, title and interest in and to the above-mentioned  
inventions and application for Letters Patent, and in and to any and all direct and indirect  
divisions, continuations and continuations-in-part of said application, and any and all Letters  
Patent in the United States and all foreign countries which may be granted therefore and  
thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights  
under the International Convention for the Protection of Industrial Property, the same to be  
held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its  
successors, legal representatives and assigns, to the full end of the term or terms for which  
Letters Patent may be granted and/or extended, as fully and entirely as the same would have  
been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to  
Assignee, its successors, legal representatives and assigns, that, at the time of execution and  
delivery of these presents, except for any rights, titles and/or interests that have arisen to  
Assignee under law or that have already been transferred to Assignee, Assignor is the sole  
and lawful owner of the entire right, title and interest in and to the said inventions and  
application for Letters Patent above-mentioned, and that the same are unencumbered and that  
Assignor has good and full right and lawful authority to sell and convey the same in the  
manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with  
Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers  
and documents, take all lawful oaths and do all acts necessary or required to be done for the  
procurement, maintenance, enforcement and defense of any Letters Patent and applications  
for Letters Patent for said inventions, whenever counsel of Assignee, or counsel of its  
successors, legal representatives and assigns, shall advise: that any proceeding in connection  
with said inventions, or said Patent application for Letters Patent, or any proceeding in  
connection with any Letters Patent or applications for Letters Patent for said inventions in  
any country, including but not limited to interference proceedings, is lawful and desirable; or,  
that any division, continuation or continuation-in-part of any application for Letters Patent, or

any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
