Lake Ave. #330, Pasadena, California 91101-3515, hereinafter generally referred to as "ASSIGNORS", have invented a certain new and useful

DIMMABLE LED LAMP

for which an application for patent was filed in the United States Patent Office on May 12, 2010 and assigned Serial No. 12/778,231, and

WHEREAS, Light Prescriptions Innovators, LLC., a Delaware corporation having a place of business at 2400 Lincoln Avenue, Altadena, CA 91001, hereinafter generally referred to as "ASSIGNEE", is desirous of acquiring said invention and said application for Letters Patent,

NOW, THEREFORE, in consideration of the sum of One Dollar and other good and valuable executed consideration, the full receipt and sufficiency of all of which are hereby acknowledged, and intending to be legally bound hereby, we, the undersigned ASSIGNORS, hereby agree to sell, assign, transfer and convey and by these presents do sell, assign, transfer and convey unto the above-named ASSIGNEE, the whole and entire right, title and interest

in and to said invention as described in the above application for Letters Patent, for the territory of the United States and its possessions and territories and all foreign countries, and

in and to the above application for Letters Patent, including continuing and/or divisional applications therefor, any provisional applications identified in the above application, and any and all United States and foreign Letters Patent and application and other forms of protection which may be granted on said application(s) including reissues and reexaminations, including reissues, extensions, renewals and reexaminations of such Letters Patent; including the right to any priority claimed in any such application or Letters Patent;

said invention, applications and Letters Patent to be held and enjoyed by the above-named ASSIGNEE, for ASSIGNEE's own use and behoof, and for ASSIGNEE's legal representatives and assigns to the full end of the term or terms for which said Letters Patent may be granted, as fully and entirely as the same would have been held by the undersigned ASSIGNORS had this assignment and sale not been made; and for the aforesaid consideration ASSIGNORS hereby covenant, agree and undertake to execute, whenever requested by the above-named ASSIGNEE, all patent applications, assignments, lawful oaths and any other papers which ASSIGNEE may deem necessary or desirable for securing to ASSIGNEE or for maintaining for ASSIGNEE all the application and Letters Patent hereby assigned or agreed to be assigned; all without further compensation to the undersigned ASSIGNORS.

We HEREBY authorize the above-mentioned Assignee or its legal representative to insert in the instrument the filing date and/or serial number of our aforesaid application or any other information that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
