## ASSIGNMENT OF APPLICATION

Whereas I, Robert Yellin, of Austin, TX, hereafter referred to as applicant, have invented certain new and useful improvements in an Automatic Tool Changer System with associated Forks and Tool Holders, for which application(s) for United States Patent(s) will be filed on or about the 30th day of May, 2010.

Whereas, Tornach LLC of Waunakee, WI hereafter referred to as "assignee" whose mailing address is: 204 Moravian Valley Rd., Suite N, Waunakee, WI 53597 is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of the sum of One dollars (\$ 1.00), the receipt whereof is acknowledge, and other good and valuable consideration, I, the applicant, by these presents do sell, assign and transfer unto said assignee the full and exclusive right to the said invention in the United States and the entire rights, title and interest in and to any and all Patents which may be granted therefore in the United States. I hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue said United States Patent to said assignee, and the entire right, title, and interest in and to the same, for his sole use and behoof; and for the use and behoof of his legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

I also agree that, at the Company's request, I shall execute, acknowledge, and deliver any additional documents required to obtain letters patent in any jurisdiction and shall, at the Company's request and expense, assist in the defense and prosecution of said letters patent as may be required by Company.
