AMENDED AND RESTATED
CERTIFICATE OF INCORPORATION
OF
DXCON, INC.

DxCon, Inc., a corporation organized and existing under the laws of the State of Delaware (the "Company"), hereby certifies as follows:

A. The original Certificate of Incorporation of the Company was filed with the Secretary of State of the State of Delaware on January 16th, 2009.

B. This Amended and Restated Certificate of Incorporation has been duly adopted in accordance with the provisions of Sections 228, 242 and 245 of the General Corporation Law of the State of Delaware (the "DGCL").

C. The Certificate of Incorporation of the Corporation is hereby amended and restated in its entirety to read as follows:

ARTICLE I

The name of this corporation is DxCon, Inc.

ARTICLE II

The address of the registered office of the Company in the State of Delaware is 2711 Centerville Road, Suite 400, City of Wilmington, County of New Castle, DE 19808. The name of its registered agent at that address is Corporation Service Company.

ARTICLE III

The purpose of the Company is to engage in any lawful act or activity for which corporations may be organized under the DGCL.

ARTICLE IV

A. **Classes of Stock.** The Company is authorized to issue two classes of stock, designated, respectively, as "Common Stock" and "Series A Preferred Stock." The Company is authorized to issue a total of 10,000,000 shares of Common Stock, with a par value of \$0.0001 per share. The Company is authorized to issue 7,000,000 shares of Series A Preferred Stock, with a par value of \$0.0001 per share, having the rights, preferences, privileges and restrictions provided in Article IV(B).

B. **Rights, Privileges, Preferences and Powers of Series A Preferred Stock.** The rights, preferences, privileges and restrictions granted to and imposed on the Series A Preferred Stock are as set forth below in this Article IV(B).

(a) **Definitions.** For purposes of this Amended and Restated Certificate of Incorporation, the following definitions shall apply:

(1) "Change of Control" means the occurrence of any of the following events: (i) a consolidation or merger of the Company, with or into any other corporation or corporations in which the stockholders of the Company as of immediately prior to such consolidation or merger, do not continue to hold at least a 50% interest in the surviving entity; or (ii) the sale, lease or other disposition, in a single transaction or in a series of related transactions, of all or substantially all of the assets of the Company to any Person or Group.

(2) "Group" means two or more Persons acting as a partnership, limited partnership, syndicate or other group for the purpose of acquiring, holding or disposing of the applicable securities referred to herein.

(3) "Original Issue Price" shall mean \$1.00 per share.

(4) "Person" means any natural person, company, corporation, limited liability company, general partnership, limited partnership, trust, proprietorship, joint venture, business organization or government, political subdivision, agency or instrumentality.

(b) Dividend Provisions. The holders of the shares of Series A Preferred Stock shall be entitled to receive cumulative dividends at the rate of eight percent (8%) of the Original Issue Price per annum which shall accrue (whether or not declared) on each outstanding share of Series A Preferred Stock (as adjusted for any stock dividends, combinations, splits, recapitalizations and the like with respect to such shares after the date of issuance of such share, the "Series A Accruing Dividends"). Such dividends shall accrue from the date of issuance of each share of Series A Preferred Stock, whether or not declared and whether or not there shall be accumulated earnings and profits available for the payment of dividends in any particular fiscal year. For so long as any shares of Series A Preferred Stock are outstanding, the Company shall not pay or declare any dividend, whether in cash or property, or make any other distribution on the Common Stock, or any series or class of capital stock, or purchase, redeem or otherwise acquire for value any shares of Common Stock or class of capital stock unless and until all Series A Accruing Dividends shall have been paid in full or declared and set apart. Subject to the foregoing sentence, the Series A Accruing Dividends shall be payable only if, as and when declared by the Board of Directors.

(c) Liquidation.

(1) Preference. In the event of any liquidation, dissolution or winding up of the Company, whether voluntary or involuntary, the holders of the Series A Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets or funds of the Company to the holders of Common Stock, by reason of its ownership thereof, a payment in the amount of \$1.00 per share (as adjusted for any stock dividends, combinations, splits, recapitalizations or the like on, or affecting the Series A Preferred Stock, the "Liquidation Preference"). If, upon the occurrence of such event, the assets and funds thus distributed to the holders of the Series A Preferred Stock shall be insufficient to permit the payment to such holders of the full Liquidation Preference, then the entire assets and funds of the Company legally

available for distribution shall be distributed to the holders of the shares of Series A Preferred Stock.

(2) **Remaining Assets.** Upon the completion of the distribution required by Section IV(B)(c)(1), any remaining assets or funds of the Company available for distribution to stockholders shall be distributed among the holders of Common Stock and Series A Preferred Stock pro rata based on the number of shares of Common Stock or Series A Preferred Stock held by each holder of Common Stock or Series A Preferred Stock.

(3) **Valuation of Consideration.** Subject to the following provisions of this Section IV(B)(c)(3), the value of any assets, securities or other property (other than cash) to be received by stockholders of the Company pursuant to Section IV(B)(c) shall be equal to the fair market value thereof, as determined in good faith by a majority of the Board of Directors (taking into account, if applicable, any restrictions on the free marketability of such assets, securities or other property, arising under applicable securities laws or otherwise, except that any securities to be distributed to stockholders in any liquidation, dissolution or winding up of the Company, whether voluntary or involuntary, shall be valued as follows:

(A) The method of valuation of securities not subject to investment letter or other similar restrictions on free marketability shall be as follows:

(I) if the securities are then traded on a national securities exchange or the Nasdaq National Market (or a similar national quotation system), then the value shall be deemed to be the average of the closing prices of the securities on such exchange or system over the 30-day period ending three days prior to the distribution; and

(II) if actively traded over-the-counter, then the value shall be deemed to be the average of the closing bid or sale prices (whichever is applicable) over the 30-day period ending three days prior to the distribution; and

(III) if there is no active public market, then the value shall be the fair market value thereof, as determined in good faith by a majority of the Board of Directors.

(B) The method of valuation of securities subject to investment letter or other restrictions on free marketability shall be to make an appropriate discount from the market value determined as above in subsections (A)(I), (A)(II) or (A)(III) of this Section IV(B)(c)(3) to reflect the approximate fair market value thereof, as determined in good faith by a majority of the Board of Directors.

(d) **Notice of Transaction.** The Company shall give the holders of record of Series A Preferred Stock written notice of any proposed dissolution, liquidation or winding up of the Company not later than 20 days prior to the earlier of (i) the date on which any meeting of the stockholders of the Company is to be held for the purpose of considering and voting upon such action or transaction and (ii) the date on which the rights of such holders to receive any assets, securities or other property (including cash) in connection therewith will be fixed. Such notice shall describe the material terms and

conditions of the proposed action or transaction, and the Company shall thereafter give such holders prompt notice of any material changes to such terms and conditions. The action or transaction shall in no event be effected sooner than 20 days after the Company has given the first notice provided for herein or sooner than 20 days after the Company has given notice of any material changes provided for herein; provided, however, that such periods may be shortened upon the written consent of the holders of the outstanding share of Series A Preferred Stock.

(e) Conversion Rights.

(1) Subject to and in compliance with the provisions of this Section 5, any shares of Series A Preferred Stock may, at the option of the holder, be converted at any time into fully-paid and nonassessable shares of Common Stock. The number of shares of Common Stock to which a holder of Series A Preferred Stock shall be entitled upon conversion shall be the product obtained by multiplying the Conversion Rate by the number of shares of Series A Preferred Stock being converted. The conversion rate in effect at any time for conversion of the Series A Preferred Stock (the "Conversion Rate") shall be the quotient obtained by dividing the Original Issue Price by the Conversion Price. The initial "Conversion Price" shall be \$1.00.

(2) In the event of a Change in Control of the Company, each share of Series A Preferred Stock shall automatically be converted into fully-paid, non-assessable shares of Common Stock at the Conversion Rate then in effect for such share at the time of the Change in Control.

(3) No fractional shares of Common Stock shall be issued upon conversion of Series A Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Company shall pay cash equal to such fraction multiplied by the then fair market value of a share of Common Stock as determined by the Board. For such purpose, all shares of Series A Preferred Stock held by each holder of Series A Preferred Stock shall be aggregated, and any resulting fractional share of Common Stock shall be paid in cash. Before any holder of Series A Preferred Stock shall be entitled to convert the same into full shares of Common Stock, and to receive certificates therefor, he shall either (i) surrender the certificate or certificates therefor, duly endorsed, at the office of the Company or of any transfer agent for the Series A Preferred Stock or (ii) notify the Company or its transfer agent that such certificates have been lost, stolen or destroyed and execute an agreement satisfactory to the Company to indemnify the Company from any loss incurred by it in connection with such certificates, and shall give written notice to the Company at such office that he elects to convert the same.

(f) Voting Rights. The holders of Series A Preferred Stock and the holders of Common Stock shall vote together as a single class except as otherwise required herein or by the DGCL.

C. Common Stock.

(a) Dividend Rights. Dividends may be declared and paid on the Common Stock from funds lawfully available therefor as and when determined by the Board of

Directors in its sole discretion, subject to provisions of law, any provision of this Amended and Restated Certificate of Incorporation and the relative rights and preferences of any shares of Series A Preferred Stock authorized and issued hereunder, provided that any dividend declared or paid shall be declared and paid in an equal amount on each share of the Common Stock.

(b) **Liquidation**. In the event of any liquidation, dissolution or winding up of the Company, the assets of the Company shall be distributed pursuant to Section IV(B)(c).

(c) **Voting Rights**. The holders of Series A Preferred Stock and the holders of Common Stock shall vote together as a single class except as otherwise required herein or by the DGCL.

ARTICLE X

If the DGCL is amended after approval by the stockholders of the Company of this Article X to authorize any corporate action further

eliminating or limiting the personal liability of directors, then the liability of a director of the Company shall be eliminated or limited to the fullest extent permitted by the DGCL as so amended.

Any repeal or modification of the foregoing provisions of this Article X by the stockholders of the Company shall not adversely affect any right or protection of a director of the Company existing at the time, or increase the liability of any director of the Company with respect to any acts or omissions of such director occurring prior to, such repeal or modification.

ARTICLE XI

To the fullest extent permitted by applicable law, this Company is also authorized to provide indemnification of (and advancement of expenses to) such agents (and any other persons to which the DGCL permits this Company to provide indemnification) through Bylaw provisions, agreements with such agents or other persons, vote of stockholders or disinterested directors or otherwise, in excess of the indemnification and advancement otherwise permitted by Section 145 of the DGCL, subject only to limits created by applicable Delaware law (statutory or non-statutory), with respect to actions for breach of duty to this Company, its stockholders, and/or others.
