ASSIGNMENT

THIS PATENT ASSIGNMENT is made from the inventors named below (hereinafter, Assignors) to CONVERGIN ISRAEL LTD., an Israeli company, having a place of business at 15 Abba Eban Avenue, Herzliya 46140, Israel (hereinafter, Assignee).

WHEREAS the Assignors have made the inventions that are described in the following patent applications (hereinafter, the Inventions):

"Providing session-based services to event-based networks using partial information" filed as US Patent Application No. 12/788,330 on May 27, 2010;

"Providing session-based services to event-based networks in multi-leg calls" filed as US Patent Application No. 12/788,331 on May 27, 2010;

"Providing session-based service orchestration to event-based networks" filed as US Patent Application No. 12/788,332 on May 27, 2010;

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration paid to the Assignors, the receipt and sufficiency of which are hereby acknowledged, the Assignors agree to assign, and hereby do assign, to the Assignee the entire right, title and interest in and to the Inventions, including, without limitation, the above-mentioned patent applications and all other provisional and non-provisional applications deriving from the above-mentioned patent applications, and including any original and/or reissued Letters Patents of the United States granted for the Inventions and any divisions, reissues, continuations and extensions of any such patent application(s), and including any patents or other forms of protection of industrial property that may be granted in relation to the Inventions in any other country, and including the rights to file and prosecute all applications for patents and other forms of protection of industrial property in the United States and other countries and to claim priority from the above-mentioned patent applications in the United States and in any other country, and including the subject matter of any and all claims which may be obtained in such patents and the right to enforce such patents.

The Assignors hereby authorize and request the Commissioner of Patents to issue any and all Letters Patents of the United States resulting from the above-mentioned patent applications and any divisions, reissues or continuations thereof to the Assignee, as Assignee of the entire interest, and likewise authorize officials of other countries to issue patents and other forms of industrial property protection to the Assignee.

The Assignors hereby covenant that they have full right to convey the entire interest herein assigned, and that they have not executed and will not execute any agreement in conflict herewith.

Each of the Assignors agrees to execute all papers in connection with the above-mentioned patent applications and any applications filed as divisions, reissues or continuations thereof or otherwise deriving from the above-mentioned patent applications, including separate assignments in connection with such applications, that the Assignee may deem desirable for the purposes of obtaining, protecting and enforcing its rights in the Inventions.

Each of the Assignors agrees to communicate to the Assignee or representatives thereof any facts known to him or her respecting the Inventions and improvements thereof, and will, upon request, but without expense to him or her, testify in any legal proceedings regarding the inventions and provide any other assistance deemed necessary by the Assignee to obtain, protect and enforce its rights in the Inventions.

This Assignment shall be binding upon the heirs, executors, administrators, and assigns of each of the Assignors, and shall inure to the benefit of the heirs, executors, administrators, successors and assigns of the Assignee.
