ASSIGNMENT

WHEREAS, I, **CLARK C. SIMPSON** of Nicholasville, Kentucky, have made certain new and useful inventions as disclosed in an application for United States Patent Application filed the 20th day of January, 2010 Entitled **CARPET POLE CARRIAGE ASSEMBLY** and assigned Ser. No. 12/690,639;

AND WHEREAS, **CLARK MATERIAL HANDLING COMPANY**, a corporation of state of the Delaware having a place of business at 700 Enterprise Drive, Lexington, Kentucky 40510 is desirous of acquiring the entire right, title, and interest in and to said inventions and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor based on this application;

NOW, THEREFORE, for good and valuable consideration, I do hereby sell, assign, transfer, and set over unto **CLARK MATERIAL HANDLING COMPANY**, its legal representatives, successors, and assigns, the entire right, title, and interest in and to said invention as set forth in the above-mentioned application, to the application itself, and in and to any and all Letters Patents of the United States and foreign countries which may be issued for the inventions disclosed therein;

UPON SAID CONSIDERATIONS, I hereby agree with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to

the benefit of, the assigns and legal representatives of assignor and assignee;

AND I request the Commissioner of Patents and Trademarks or the corresponding official in any foreign country in which a patent or patents may issue for said inventions to issue said patent or patents to CLARK MATERIAL HANDLING COMPANY, its legal representatives, successors, or assigns, as the sole owner of the entire right, title, and interest in and to said patents and the inventions covered thereby.
